## Sock puppets

Sock puppets are a quick and easy activity to make at home with resources that most households will have.

### Learning benefit/skill development

- Supports language development
- Builds a sense of achievement and wellbeing for children
- Supports creative thinking
- Supports concentration skills
- Supports fine motor skill development

### What you'll need

- Socks
- Craft materials
- Textas/markers
- Glue
- Paint (optional)

### Instructions:

- Take the socks and decorate with materials and colours.
- Create sock puppets to bring a child's favourite book, story or song to life.
- A great activity for extending on from a favourite book or song to allow children to act these out using the puppet.
- Make multiple sock puppets and put on a puppet show!
